## **Statement of Intent**

Education Partnership Trust (EPT) recognises and accepts that it is responsible for providing a safe and healthy environment for the staff employed across the EPT, for the pupils attending the academies and for visitors and contractors who come on to the premises.

The Board will ensure that all reasonable steps will be taken to fulfil these responsibilities within the framework of the Health and Safety at Work etc Act 1974 and the management of Health and Safety at Work Regulations 1999 and those other regulations made under the Act. To this end, the Board have designated that the Executive Head Teacher (EHT)/ Head Teacher (HT) have strategic oversight of each academy's Health and Safety organisation and arrangements on its behalf and that each academy's EHT/HT is expected to reinforce the Board's intentions on Health and Safety.

Although overall accountability for Health and Safety lies with EPT, day to day responsibility for the Health and Safety of staff and students in individual academies is delegated to the EHT/ HT, who in turn will delegate particular functions to other staff. Each EHT/ HT will ensure that its Health and Safety Management systems are duly in place and adequately rigorous. They will continue to monitor those systems with due diligence in respect of the health, safety and welfare of staff, pupils and anyone else who may be affected by them.

Education Partnership Trust will ensure that within the academy's budgets, there are adequate resources available to cover the cost not only of the planned maintenance of the grounds, buildings, plant and equipment in a safe condition but also, so far as reasonably practicable, of any emergency action necessary to ensure the health and safety of the occupants of the academy premises.

Each and every member of staff at the EPT and its schools must recognise that, under the Act, they have a personal responsibility for their own safety as well as the safety of anyone who may be affected by their acts or omissions at work. They also have to co-operate, as far as is necessary, with their employer for fulfilling its duties under the Act and supporting legislation as well as under EPT's Health and Safety Policy.
