16th June 2022

Dear Parent/Carer

Pleckgate Induction Day and Evening – Wednesday 29th June 2022

At Pleckgate High School we are really looking forward to welcoming your child to our induction day. Our school team has been preparing for your child starting our school by visiting primary schools, speaking with pupils and collecting lots of useful information including samples of your children's work. This allows us to prepare effectively to give your child the best possible start to high school, making the transition process smooth.

The Induction Day will begin at **9.15am** when your child needs to be dropped off at reception so that they can begin their day promptly. We ask that your child comes in their full primary school uniform and brings some pumps or trainers. Lunch and drinks will be provided during the day. The day will end at **2.30pm** when you will need to collect your child from the front of school.

Induction Evening is an opportunity for you, as parents, to attend and meet your child's tutor and learn more about the school. This evening will commence at **5.00pm**. Your child may attend this evening but it is not mandatory.

Additionally, we offer a wide range of enrichment activities at Pleckgate, some of which can be seen by clicking on this link - [Pleckgate Newsletter](#)

Please do not hesitate to get in touch with us if you have any further questions. You can do this by contacting the school directly on 01254 249134 or by e-mail to admissions@pleckgate.com.

We look forward to meeting you and your child as they begin their exciting new learning journey at Pleckgate High School.

Kind Regards

Rob Hamilton
Deputy Headteacher
