

IT Department: Creative iMedia

Creative iMedia students study four units, which combine to give the Cambridge Nationals qualification available at both levels 1 and 2.

Unit 1 is a mandatory unit in pre-production techniques, which is tested by external examination. Unit 2 is also a mandatory unit but is internally assessed and externally moderated. The final 2 units are chosen from a range including web authoring, multimedia, animation, sound and video and are also internally assessed and externally moderated.
