My name is: **Miss Bury**

**I chose Pleckgate because:** I had worked at Pleckgate before and really enjoyed working with everyone there. So when a job came up, I jumped at the chance of coming back!

**I'm excited about:** getting my VERY first Yr7 form (even though I have been teaching 12yrs now!!) I am also looking forward to getting back into the science lab and doing lots of experiments with my classes!

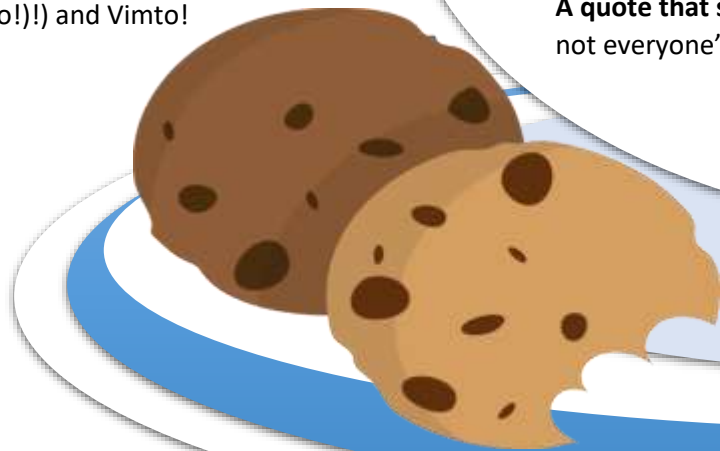

**A quote that sums me up is:** Be who you are. You are not everyone's cup of tea.....and that's okay!

**I don't like:** Hot drinks! Or bad manners (manners don't cost anything!)

**My ambition for the future is:** To grow something exciting + exotic on my allotment!

I'm worried about:

**I love:** Cats (I have 3 of them – though to be fair I like dogs too!)) and Vimto!
