## ROMANCE

**Title of the book - Crush Catastrophe!**

**Author - Rachel Renée Russell**

**What was the book about?**

This book is about a girl called Nikki who has a crush called Brandon who is her friend. It is nearly the end of the year and she and her BFF's are planning to go to a concert. Even Brandon is going!!! Everything was going to plan until a new boy came to the school called André and Nikki had to show him around for the whole school. Slowly, André (who is from France) showed interest in Nikki. The next day, Nikki got an email saying she got chosen for a trip to Paris! However, it's on the same date as the concert! André says she should go to Paris with him because it will be a new experience for her, but she doesn't want to leave her besties aside.

**Who was your favourite character and why?**

My favourite character is Nikki because she always has a problem she needs to solve and I like how she cares about her friends soooo much

**Who was your least favourite character and why?**

I don't like Andre because he backstabs Nikki and ruins Brandon's and Nikki's friendship.

**What was your favourite part of the book?**

My favourite part of the book is when Brandon and Andre meet each other at Queesy Cheesey.

**What did you not like about the book?**

I didn't like how they kept repeating the trip to Paris.

**How many stars would you give the book?**

I would give it 3.5.
