

BOOK REVIEW

SCARY/GOTHIC

Title of the book: A series of unfortunate events (The reptile room)

Author: Lemony Snicket

What was the book about?

This book was about the horrible experiences the 3 Baudelaire children witnessed because of a very despicable man. This man is called Count Olaf and he causes these events due to his want for the Baudelaire's fortune their dead parents left behind.

Who was your favourite character and why?

My favourite character is Violet Baudelaire for her quick thinking and amazing inventions. She persevered through such dreadful times and still was there for her sibling. Her willpower is very strong and a great part of her personality.

Who was your least favourite character and why?

The character I despise the most is Count Olaf because of his terrific actions he has done to the young children. This horrible man has done outrageous actions. Such as, trying to marry Violet Baudelaire, who was only 14, so he could have their fortune the children's parents left for them or killing their uncle.

What was your favourite part of the book?

My favourite character part of the book is at the beginning where the children meet their uncle and spend a lovely time with him. For example, spending time in the reptile room.

What did you not like about the book?

What I hated the most was the death of Montgomery, the children's uncle. He was a very kind character to the young Baudelaires after the horrible affairs they have dealt with.

How many stars would you give the book?
