

BOOK REVIEW

ADVENTURE/ACTION

Title of the book - The Last Firefox

Author - Lee Newbery

What was the book about?

The book was about a boy named Charlie who had two dads - one being a firefighter. Him and his two friends, Lippy and Roo, play a game where you have to hide a painted rock and the others have to find it. One day, Charlie and Roo were too scared to find Lippy's rock which was always in an extreme hiding place so Charlie went to a castle and hid the rock there. That very same day, behind a curtain of ivy leaves, a boy came from a magical dimension and left Charlie with the last fire fox he named Cadno in the world. He had to protect it from the Grendilock.

Who was your favourite character and why?

My favourite character is probably Cadno because he seems so cute and adorable. Another one of my favourite characters is Pam as she seems so jolly and joyful.

Who was your least favourite character and why?

My least favourite character was the Grendilock because he always wanted to kill Cadno and he could take the place of any other creature he liked, so you don't know who to trust.

What was your favourite part of the book?

My favourite part of the book was when Charlie defeated the Grendilock with Cadno as there was lots of tension and you just couldn't stop reading.

What did you not like about the book?

I don't really have any problems with the book but if I had to choose something it would be that Cadno is the only one left and when his time comes there would be no more.

How many stars would you give the book?

I would give this book 5 stars because it also holds a very powerful message: You can only be brave for others if you can be brave for yourself., and that being brave is an play, you just have to learn to act. Also, there is a little flame in everyone, waiting to reach its full potential.
