## Coffee Morning at Pleckgate

We express our gratitude to the parents who attended our coffee morning this morning.

At this gathering, parents had the opportunity to meet with members of our Pastoral Team, Attendance Team, Senior Leadership Team, and other important staff members in the school.

We value everyone who dedicated their time to join us in conversation.

## Year 11 Holiday Revision

It was encouraging to see many Year 11 pupils utilising school facilities during the recent two-week holiday to establish effective revision habits.

Pupils had access to resources from 10am to 4pm, and those who attended regularly showed significant progress in preparing for their GCSEs.

The dedication displayed by these pupils at this crucial stage of their education was commendable. Many also devoted hours at home following a rigorous revision schedule covering nine subjects.

With exams starting this week, we are optimistic about the results reflecting their hard work! Good luck to all our Year 11 pupils.

Good luck to all our Year 11 pupils.

## Marvellous Malham Cove Visit

Year 10 pupils spent a day in the glorious Yorkshire sun visiting Malham Cove in order to complete their GCSE Geography fieldwork.

They spent time speaking to tourists and visited Malham Cove.

Later in the day, they were able to visit Whitescar Cave and see the limestone scenery which has been formed deep below the surface of the Earth.

## Year 7 Extracurricular Challenge

Research has shown that participating in extracurricular activities supports the academic and personal development of pupils.

Year 7 pupils are being asked to sign up to an activity either at lunchtime or after school.

We have a wide range of clubs on offer such as musical theatre, coding, chess, STEM, gym club and many more.

## Year Group Council Meetings Prepare For School Council Presentations

100 pupils are meeting this week in their Year Group Council teams to discuss a number of topical issues in school including Protected Characteristics, Safety in School and Raising Awareness of Anti-Bullying.

The School Council will then meet next week (led by the Senior Prefect Team) to prepare their presentations for the meeting with the Senior Leadership Team in June.

Great job to all the pupils who participated in the meetings and took charge of leading them.

## Exploring Worlds Between Pages: Pupils dive into the Scholastic pop-up book shop!

Pupils recently embarked on an exciting journey as they delved into the captivating realms of the Scholastic pop-up bookshop.

This experience is just a glimpse of the many opportunities we offer to instil positive reading habits among our pupils.

At Pleckgate, fostering a love for reading is paramount, and initiatives like these pave the way for a future filled with the magic of books.
