23rd June 2025

Dear Parents/Carers

I would like to take this opportunity to thank you very much for those parents/carers who were able to attend our Raising Achievement Evening on Thursday 19th June. **I attach a link to the information that was shared with parents [here](#)**, in order that you are able to discuss the milestones and expectations in preparation for Year 11.

Please also find a **link to our school website here for guidance of revision and independent study [here](#)**. As advised, your child should be completing at least two hours every day during the holidays so they are well prepared for those important assessments beginning the week commencing 22nd of September. We ask for your support in making sure that your child has quiet space, free from distractions and social media so that they can study for 1-2 hours every day during the holidays, as when we return to school, we only have 3 weeks before their first important examinations.

As also mentioned, your children have signed up to participate in our mock interview event on Tuesday 24th of June. We will share details with your children of the timings today and **attached [here](#) is information** that you can use to help them prepare for this important experience. Please read the communication shared with you on Friday regarding details of clothing, timing and expectations.

We know that 100% attendance means that your child stands a much better chance of achieving their full potential. **Please make sure that your child maintains attendance and attends school every day for the remaining four weeks of school.** We do not authorise or approve any requests for holidays during the school year, as we know that attending school every day is the key to success.

If you wish to meet myself or Mrs Ryding to discuss your child's progress at school please do not hesitate to contact us at info@pleckgate.com

Thank you for your continued support

Best wishes

Aishling McGinty
Headteacher

Camilla Ryding
Head of Year 10
