

## Choices

If I can't do  
What I want to do  
Then my life is to not  
Do what I don't want  
to do

It's not the same thing  
But it's the best I can  
do

If I can't have  
What I want then  
My life is to want  
What I've got  
And be satisfied  
That at least there  
Is something more  
to want

Since I can't go  
Where I need  
to go  
Then I must go  
Where the signs point  
Though always understanding  
Parallel movement  
isn't lateral

When I can't express  
What I really feel  
I practice feeling  
What I can express  
And none of it is equal

I know  
But that's why mankind  
Alone among the animals  
learns to cry

A path is laid out ahead  
It forks before your feet  
A decision filled with dreads  
Uncertain of what you'll meet

A game full of chance  
Of many hidden pits fails  
To find true romance

Dare you risking losing all

Choices aren't easy to make  
Fog seems to cloud your way  
You fear making a mistake  
Of losing a day

But life is full of hard choices

And risk is part of a game  
Be brave, ignore doubting voices  
Make choices life won't be same
