The idea is to allow parents access to a forum where they can have a voice and as a school we can hear and learn about a parent's experience of Pleckgate. This will help us to grow and develop as a school.</p> <p>Actions:</p> <ul style="list-style-type: none"> ● Half termly meeting for all members of the parent forum ● Agenda shared in advance of each meeting ● Minutes shared with all parents and available on the school website
<p>Edulink – developing effective communication with parents.</p>	<p>Parents have access to the edulink app and this continues to prove to be successful. Parents are happy with the information provided, particularly homework and extracurricular attendance.</p> <p>Actions:</p> <ul style="list-style-type: none"> ● The group continues to monitor the functionality of Edulink and provide feedback each meeting.
<p>Setting - what is the rationale around setting in school?</p> <p>Options Process</p>	<p>Parents highlighted that the setting in school has changed from numbers to names. They asked the rationale behind this. JM spoke to the parents and spoke about pupil achievement with the group. All parents were extremely happy with the presentation and all questions answered. The options process was asked about which JM informed parents of the timeline of events and the extensive support pupils would get.</p> <p>Actions:</p> <ul style="list-style-type: none"> ● Information regarding options to be sent out to year 9.
