

Pupil Reading Champions:

1. Pupil librarians

At Pleckgate, we have **Pupil Librarians**. The pupils selected make a valuable contribution to the running of the library. Supporting Library staff, they develop knowledge, skills and personal qualities in a real-life context. The pupils undertook a full job-application process involving a job description, application form and formal interview.

2. Reading Mentors

Our KS4 reading mentors lead reading interventions in the mornings. This one-to-one intervention builds pupil confidence and fluency, accelerating the reading age of pupils. Our reading mentors have been trained to work with pupils who struggle with reading - building their confidence, fluency and comprehension of texts.
