

16th April 2024

Dear Parent/Carer

We are delighted to confirm your child's place as a new Year 7 pupil at Pleckgate High School in September 2024.

Once again, we are oversubscribed, confirming that Pleckgate High School is the local secondary school of choice. We are looking forward to meeting you and welcoming your child into our school community.

The leaflet which accompanies this letter, highlights our unique transition programme and induction events. We hope this makes you feel as informed as possible about our school. The first of these transition events is an invitation to parents/carers to attend a '**New Parent Information Evening**' - **on Wednesday 22nd May - at 16:15**. It will allow an opportunity to meet with the Headteacher, Mrs Aishling McGinty, key staff in school as well as the Head of Year 7, Miss Nikki Hartley. We will also provide an overview of our transition programme, which aims to support the move from primary school and to help you feel confident that your child will be in safe hands when they join us at Pleckgate.

In the meantime, please access our school website [here](#) and please read the attached document which provides answers to frequently asked questions. We hope that you will find this information useful in preparing your child to start secondary school.

We look forward to meeting you on 22nd May and would be grateful if you would confirm your attendance by completing the survey on the following [link](#) using the name of your child and their current primary school in the heading.

We would like to extend our congratulations on securing a place at Pleckgate High School and send our best wishes to you and your families.

Yours sincerely

Aishling McGinty
Head of School

Bernadette Kaye
Assistant Head Teacher and Leader of School Transition
